

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-314-4239. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or call 1-866-314-4239 to request a copy.

Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p><b>\$300</b> per person / <b>\$600</b> per family for <a href="#">network providers</a>;  <b>\$750</b> per person/ <b>\$1,500</b> per family for <a href="#">out-of-network providers</a>.  The <a href="#">network</a> and <a href="#">out-of-network deductibles</a> are separate and do not accumulate together.</p>	<p>Generally, you must pay all of the costs from <a href="#">provider</a> up to the <a href="#">deductible</a> amount before this plan begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p><b>Yes.</b> <a href="#">Preventive care</a> from <a href="#">network providers</a>, skilled_nursing facility care, home health care, hospice care, foot orthotics, diabetic education, and treatment of an accidental injury if treatment begins within 72 hours of the injury are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this plan covers certain <a href="#">preventive services</a> without cost sharing and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>Medical: <a href="#">network providers</a> <b>\$5,500</b> per person / <b>\$11,000</b> per family; for <a href="#">out-of-network providers</a> <b>\$8,000</b> per person.  <a href="#">Prescription drug</a>: <b>\$1,350</b> per person / <b>\$2,700</b> per family for <a href="#">network prescription drug copays</a>; no <a href="#">out-of-pocket limit</a> for <a href="#">out-of-network prescription drug copays</a>.  <a href="#">Out-of-pocket limits</a> are calculated on a calendar year basis.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Premiums</a>, <a href="#">deductibles</a> and <a href="#">copays</a> for <a href="#">out-of-network providers</a>, <a href="#">balance billed charges</a>, <a href="#">prescription drug copays</a> for <a href="#">out-of-network</a></p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
