

Find a Doctor

Visit premera.com/sharedadmin to find care for you and your covered family members.

When you use the Find a Doctor tool at premera.com/sharedadmin, you can get the most from your health plan benefits. You almost always pay less whenever you use providers and services that are in your plan's provider network.

Find a Doctor helps you find in-network care and more:

- View in-network providers, hospitals, and more.
- Search for specialty doctors.
- Find out if providers are accepting new patients.
- Locate urgent care centers close to your home or current location.
- See providers' ratings and awards.

How to use the tool:

1. Visit premera.com/sharedadmin.
2. Select **Find a Doctor**.
3. Search for people, places, or medical specialists in the **search bar**.

How to find a provider who speaks your language:

Click on a Category. In the blue bar on the next screen, click on More Filters and Provider Languages to select preferred language.

If you need assistance locating an in-network provider, call [800-810-BLUE \(2583\)](tel:800-810-BLUE).
